

Objectives of the Program

- To help others in the pursuit of real happiness in service to God.
- To give patrons the opportunity to engage in the great welfare work of helping others in their spiritual lives.
- To propagate, transmit, and spread the ethical and philosophical principles of Krishna consciousness as revealed in the teachings of Bhagavad-gita and Srimad-Bhagavatam.
- To maintain and enhance the temple and Deity worship and our cow protection program.

“By installing the Deity of the Lord one becomes king of the entire earth, by building a temple for the Lord one becomes ruler of the three worlds, by worshiping and serving the Deity one goes to the planet of Lord Brahma, and by performing all three of these activities one achieves a transcendental form like My own.”
(Srimad-Bhagavatam 11.27.52)
