

Objectives of the Program

- To help others in the pursuit of real happiness in service to God.
- To give patrons the opportunity to engage in the great welfare work of helping others in their spiritual lives.
- To propagate, transmit, and spread the ethical and philosophical principles of Krishna consciousness as revealed in the teachings of Bhagavad-gita and Srimad-Bhagavatam.
- To maintain and enhance the temple and Deity worship and our cow protection program.

“The supreme occupation [dharma] for all humanity is that by which men can attain to loving devotional service unto the transcendent Lord. Such devotional service must be unmotivated and uninterrupted to completely satisfy the self.”
(Srimad-Bhagavatam 1.2.6)

Patron Program

We live to serve – whether it’s our dependents, society, country, or even our own body and mind. But the perfection of service (seva) is to serve the Supreme Lord from which everything emanates. In this way we fulfill our true dharma, our spiritual reawakening as the Lord’s servant.
